...Foreword

THIS is a memory book for us, the Seniors, of our last year of high school. In it are our teachers, our friends, our organizations, and our sports. It represents our work and our play. For all of us senior high is a step toward the accomplishment of our goal.

In our group are represented most of the states of the union and a few foreign nations. We have been brought together by the world conflict. We have welded ourselves into one unit. May we, in the new world that is to come, go out with the ideas of friendship and understanding that will help us to point out the way to a permanent peace for the future.

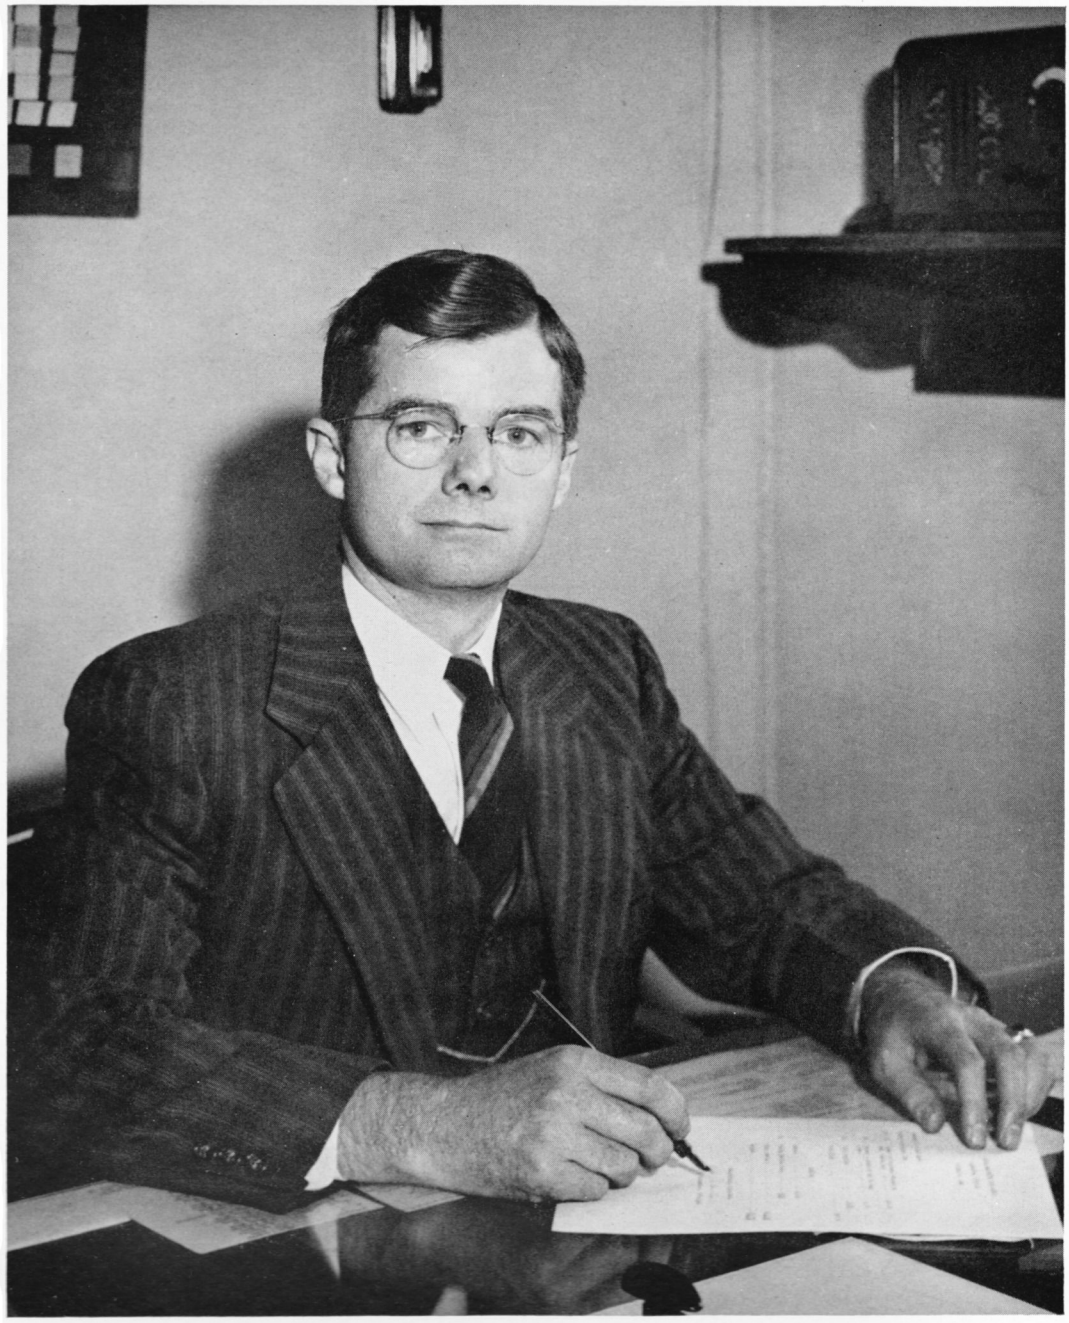
...Dedication

In the hearts of each of us is a niche set aside for very special memories. Here we have reserved a space for one who will always remain dear to us, both as a teacher and as a friend.

We sincerely appreciate the many services, great and small, which she has rendered us. Her helpful advice made it possible to solve many of the inevitable problems of high school days. We approached her not as we would a bystander curiously examining our course, but as one honestly interested in our progress. A short conversation with her would prove her sincerity, her many kind acts would convince us of her spirit of cooperation. In her everyday habits of fairness and good sportsmanship we found an example to follow. Her unceasing aid and encouragement inspired us to attain greater goals. She tried to make us better citizens of the world.

It is with a great deal of pride and affection that we dedicate the COMPASS to MISS IRMA DEVAULT.



There's a "man behind the scenes" in every undertaking and in this case the undertaking is George Washington High School and the man is Mr. Richardson. He has been especially interested in greater student participation in the COMPASS and has aided the staff in innumerable ways. Thanks, Mr. R., for everything!

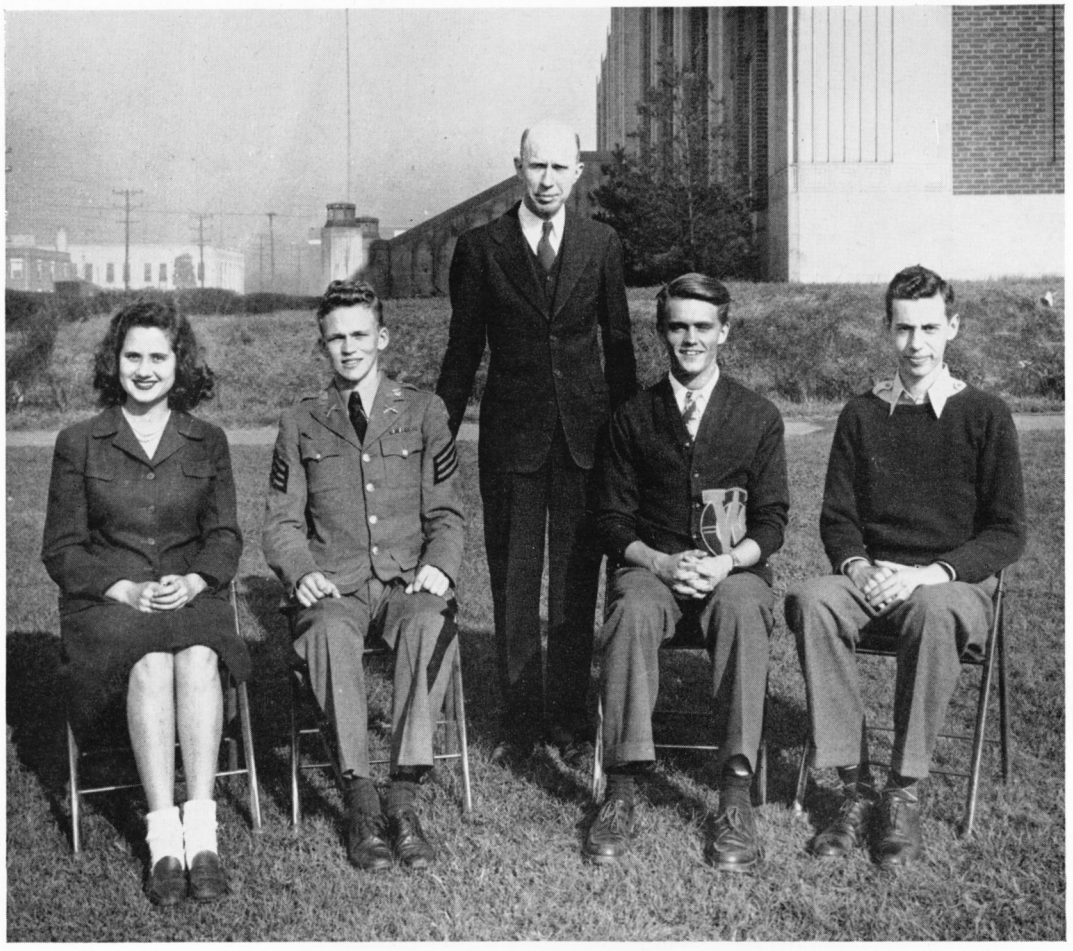
CLASSES



It has almost become a tradition for Mr. Lindsey to be the sponsor of the Senior Class and this year, as always, he has helped to bring it through with flying colors. The duties of the officers are rather well defined, but those of the sponsor are less definite. Mr. Lindsey has served as banker, advisor, and general handy man. With him, Billy, Herbert, Marilyn, and Harry have aided the class in carrying out its many activities. To these five the Senior Class owes much of its success.

CLASSES

Exactly what is a high school? Is it a pile of bricks and mortar? No . . . It's much more. It's the place where love and disagreement, happiness and tears, and learning are found together. Ask any adult when were his happiest days! Practically all will say in high school, besides learning the 3 R's, they learned the first and dearest lessons of life. For didn't they have their first sweetheart, their first big dance, and other outstanding events? It was there they learned to cooperate with others and make friends and to go places.

Every year students come in to replace those who are being graduated. Those who are coming in have it all ahead of them, but those going out have only recollections. Many will go on to college with more school days, but more will go to work to make their own way and place in the world. They will be down to business then and theirs will be memories. The newcomers should work, because only by striving will they get the most out of the school. Only by working will they make their past efforts worth remembering in later years.

No . . . A high school is not a mere structure, but an important chapter in the lives of all students.

The Quill and Palm Honor Society under the guidance of Miss Callahan has witnessed a very successful year.

We have established a library of college catalogues for the use of those students who wish to continue their education after graduation. We also have planned to enter the National Honor Society as soon as possible.

The organization, composed of those students who have a high scholastic average, hopes that it will be a goal for the future seniors of George Washington.

The Dramatic Club

This year the Dramatic Club, although it functioned only one semester, accomplished much. Our biggest achievement was the presentation of "Brother Goose" given at George Washington this December. Every member of the club worked for the success of this three-act play, gaining valuable experience in acting, directing, stage managing, business managing, publicity, make-up and costuming.

We all have the satisfaction of knowing that because of our efforts and cooperation "Brother Goose" was a great success.

As the Cadet Corps found it difficult to operate properly under last year's split period system, the schedule was changed so that the entire Corps meets the sixth period. This makes it easier to carry on with competitive drills and ceremonies.

A new system of competitive drills was inaugurated this year. Each week a different drill was held, and the drills were repeated monthly. The first week of the month, squad drill was held. The next week platoon drill was held, and the third week, company drill. The prizes were red, white, and blue streamers for the winning squad, platoon, and company, respectively. These ribbons were tied to the company guidon.

The first battalion started the year with the wooden training rifle used last year, but before the end of the first semester, were issued Enfield rifles. The wooden rifles were passed down to the second battalion, where training will now include the manual of arms.

The yearly competitive drills will be held this year. Last year's winners were:

Suits, W. J.	Captain, Co. A.	Best drilled boys' Co.
Dobison, D. M.	Captain, Co. G.	Best drilled girls' Co.
Rammel, C. E.	Corporal, Co. B.	Leader best drilled squad (boy)
Latham, C. M.	Corporal, Co. G.	Leader best drilled squad (girl)
Cowles, F. L.	Private, Co. C.	Best drilled boy cadet
Huskisson, B. J.	Private, Co. G.	Best drilled girl cadet

Football

Things looked pretty bright at the start of the season for Coaches Doran, Mackey, and Graham with ninety-seven recruits turning out in September and the season got off to a banging start with a 19 to 0 victory with an outweighed team from Mt. Vernon.

Then after a sojourn to Richmond to face Thomas Jefferson, the fellows returned on the short end of a 13 to 6 score.

The next game was a battle against the black and orange of Lane High that ended in a 13 to 13 tie.

Bounding back in the winning column with three straight wins against Devitt (19 to 6), Fredericksburg (12 to 0), and Fairfax (37 to 0), the boys looked pretty happy.

Playing a rugged and determined team from Gonzaga, the Blue and Gold bowed with a score of 19 to 6.

With injuries to slow them down and more to come in the game, we took on the "Newsboys" from Newport News who came out on the top side with a 27 to 6 score.

The following weekend, however, John Marshall High of Richmond bowed to our colors (12 to 6) in a terrific game that had "all 'n ever'thing."

Another game against Mt. Vernon showed their sportsmanship, but the Blue and Gold still outmanned them and they took a 19 to 6 licking.

Winding up a good season with six wins, three losses and one tie, the Presidents once again took to the gridiron against W-L in the annual Turkey Day game. But a hard battle on a field covered with mud ended the season with the score at the fourth quarter 6 to 6.

With many of this year's players coming back and with the new fellows that turn up, the "Presidents" will be a team to be reckoned with next season.

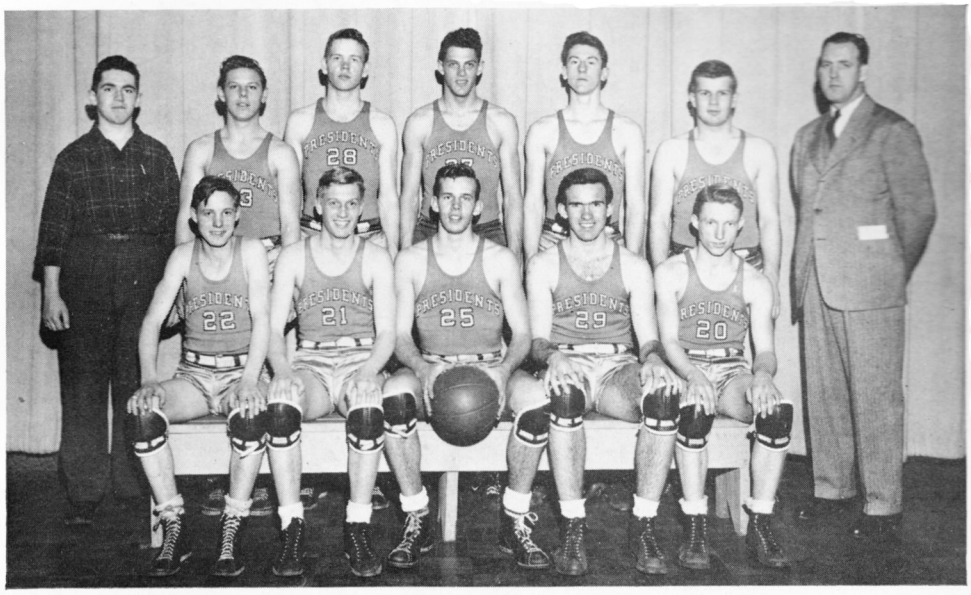
Varsity Basketball Team



First row, left to right, seated: Robert Brown, Ralph Partlow, Dave Rice, Robert O'Boyle, Percy Uhlinger.

Second row, left to right, standing: Manager Joe McGonagle, Huck Thomas, Carey Johnson, Edgar Sims, Charlie Giddens, Milton Robey, Coach Doran.

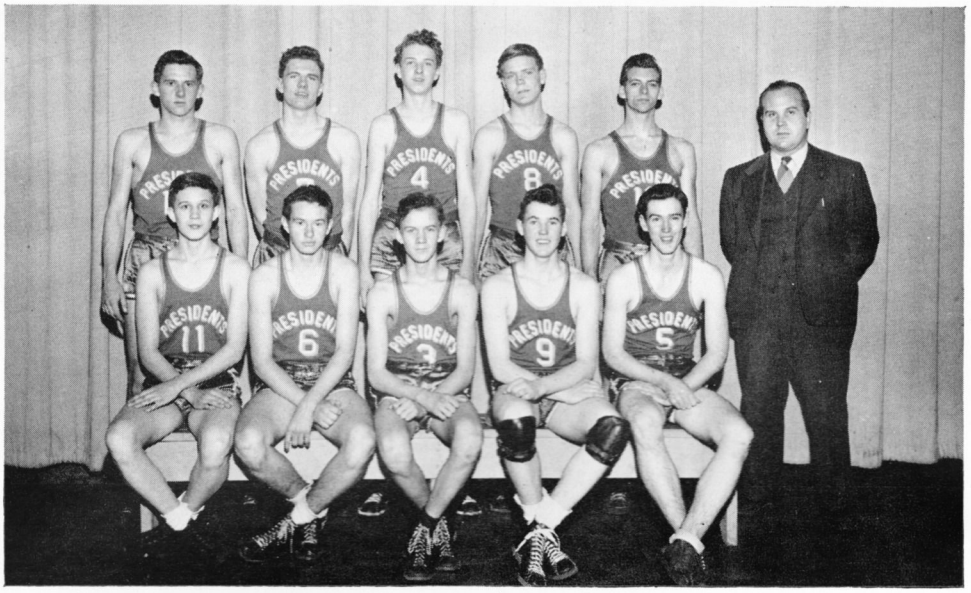
The most spectacular season in many a year was played by a hard hitting team, captained by Dave Rice.

They opened with a 48-32 victory over Maryland Park High on December 12 and from there they fought their way to the finals for State Championship.

Coach Doran's husky five set out to win for "ole" G. W. On Friday, March 9th, Rice, Brown, Partlow, Sims and Johnson won the glory for the blue and gold. They held top honors that night with a 44-38 score over Thomas Jefferson of Richmond.

For a number of years, the able teams coached by Al Doran have won up to the finals and then were set back to take second place. The boys deserve much credit for bringing this honor to G. W.

Junior Varsity Basketball Team



First row, left to right, seated: Earl Johnson, Alfred Pettit, Dale Steward, Tommy Kelly, John Foley.

Second row, left to right, standing: Charles Yates, Jimmy Breen, Gerald Halpin, Harold Mahoney, Kenneth Eberhart, Coach Mackey.

First row, left to right: Walter Schacht, Robert Palmore, Robert Higgins, Jack Whorton, "Huck" Thomas, Johnny Blanchard, Edward Knight.

Third row, left to right: Boyd Carneal, Jack Kindle, Jack Wheatley, Jimmy McCue Robert Dinealt, Johnny Saunders, Errol Johnson, manager.

BASEBALL

Under the able direction of Coach Paul Mackey a green team will probably do a pretty good job for the Blue and Gold this year.

Perhaps four men will return for this year's team—Partlow—shortstop with Sims holding down first, Eberhardt playing third and Wheatly being one of the most spectacular pitchers ever to hit the old school.

This year's track team promises to be the best that G. W. has had in many a day. With eleven returning lettermen, Coach Doran will have an abundance of material from which to draw. Then along with the boys who showed promises last year and with the new material that is to come out, it will take a team of Gargantua's strength to pull us under.

The 17th of February the team will travel to Charlottesville for the State indoor meet.

The latter part of April we will journey to W. and L. for the annual Northern Virginia meet.

Sometime in May, we are scheduled to go to Woodrow Wilson for the annual All-Metro meet and to the "C" Club meet at Central High where we shall compete with the best high school material that the East Coast can muster together.
